Colours Inspired **by Nature**

At Royal Victoria Collection, we believe that colour and material define the character of a space. Our engineered stone surfaces are carefully designed to reflect the natural beauty of stone while introducing fresh and modern colour options.

Each slab is hand crafted to provide consistent quality, refined textures, and timeless appeal. Whether creating subtle elegance or bold design statements, our collection helps designers achieve their vision with confidence.

Why Choose **Engineered Stone?**

- Exceptional Durability
- Design Consistency
- Less Than 1% Crystalline Silica
- Low Maintenance
- Non-Porous Surface
- Half the Price of Natural Stone
- Hygienic Surface
- Versatile Applications

Discover the perfect balance of style, durability, and practicality for modern living.

Why Choose **Royal Victoria Collection?**

- ✓ **40+ Premium Colours** - Explore a diverse palette of sophisticated colours and patterns.
- ✓ **Exclusive Designs** - Discover distinctive designs that set RVC apart.
- ✓ **Less Than 1% Crystalline Silica** - Innovative engineered stone formulated with reduced crystalline silica content.
- ✓ **20mm & 30mm Options** - Choose a thickness to suit your design and project requirements.
- ✓ **Large Format Slabs** - 3200 × 1600mm slabs for expansive surfaces and fewer joins.
- ✓ **25-Year Warranty** - Long-term confidence backed by a 25-year warranty on full slabs.

Solid 30mm Thickness

ENGINEERED STONE

A more substantial profile. Greater design freedom. A new dimension in stone.

Royal Victoria Collection offers a true 30mm engineered stone option across its full colour range, creating a bold architectural presence for contemporary kitchens.

20mm
Standard Profile

30mm
A more substantial profile

A Beautifully **Substantial Edge**

NO MITRED EDGE REQUIRED

The full 30mm thickness creates a bold, premium edge profile without needing a mitred build-up to achieve the look of a thicker benchtop.

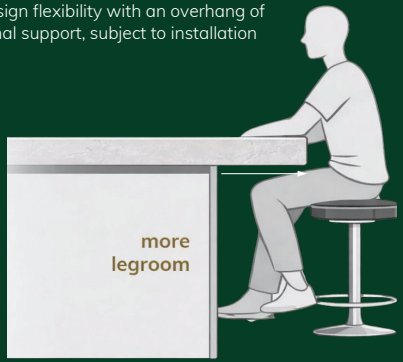
MORE THAN A THICKER PROFILE

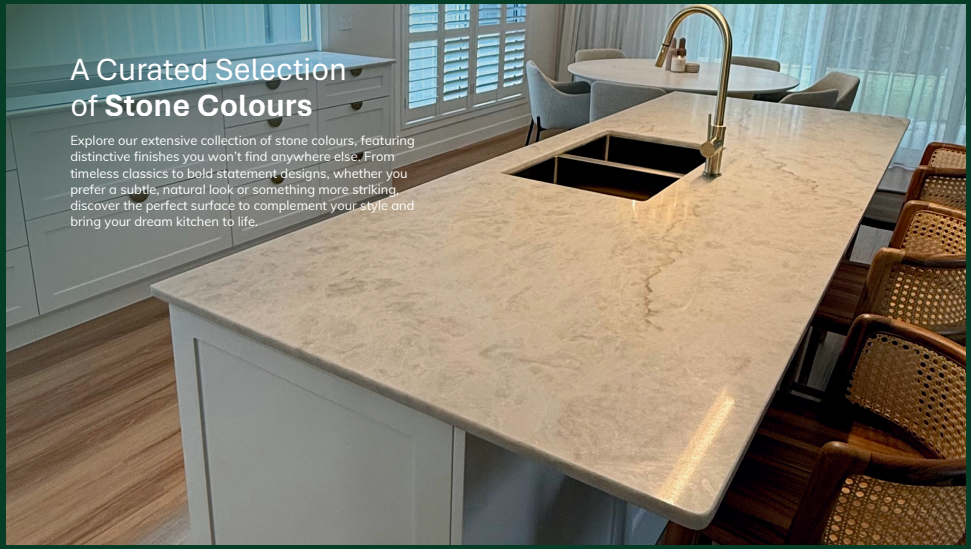
A distinctive stone solution designed for modern kitchens, statement islands and refined architectural detailing.

UP TO 450MM UNSUPPORTED OVERHANG

Enjoy greater legroom and design flexibility with an overhang of up to 450mm without additional support, subject to installation requirements.

- ✓ More legroom
- ✓ More comfortable seating
- ✓ Clean look (no brackets needed)





A Curated Selection of **Stone Colours**

Explore our extensive collection of stone colours, featuring distinctive finishes you won't find anywhere else. From timeless classics to bold statement designs, whether you prefer a subtle, natural look or something more striking, discover the perfect surface to complement your style and bring your dream kitchen to life.
